A Mystery of the Ocean.

Port Townsend, Wash., Jan. 7.—Shipping men here have no doubt that the vessel reported from London as being wrecked near Manila is the Chilean bark *Latona*, Captain Edward Gilmore, which sailed from here three months ago with a lumber cargo from Port Blakeley for Chile. The name *Leonora* giving in the dispatches is believed to be an error. Several weeks ago the *Latona* was spoken by the schooner *Azella*, whose captain saw no officers and was impressed with the idea that there had been a mutiny on the bark.
